

FAMILY FRIDAY 2018-2019 Dates At NEST + m

The partnership between home and school is a relationship we highly value. In that spirit, we are continuing a K - 5 tradition called FAMILY FRIDAY. Over the course of the school year, we will plan a variety of FAMILY FRIDAYS. At FAMILY FRIDAY we invite you to begin the school day with your child in their classroom.

On FAMILY FRIDAY you are welcome to come to the classroom at 8:30am and participate in a classroom study until 9:15am. At 9:15am we will transition to our regular daily schedule.

All of our children will benefit from having more adults to interact with and it will give you a chance to know more about the kind of teaching and learning we do every day.

Here are some ways we make FAMILY FRIDAY pleasant for everyone:

- We ask that you work with a few children, not just your own. This will ensure that all children will benefit from this program including those who may not have a family member.
- Please remember that this is not a time for a parent-teacher conference.
- You don't need any special training! Our teachers plan the workshops with children so you can join right in and be part of the highlighted classroom work. You might play a math game that is part of the current unit of study, read and talk about a book by a featured author or genre, explore a spelling pattern, listen to children share their writing, and more.

NEST + m K-5 FAMILY FRIDAY 2018- 2019 Dates
8:30am to 9:15am

- October 19th K-2
- Thursday, October 25th 3-5

- June dates to be determined based on teacher preference for end-of-year celebrations.

- *Special Note: We will have a K-12 Curriculum Showcase/Science Fair on May 30th from 4:00pm to 7:00pm.*

We see FAMILY FRIDAY as an enjoyable way for different members of our school community - children, staff and family - to benefit from spending time together in school.

Please bring your NEST + m family pass as your entrance ticket so you can quickly pass by our School Safety Agents.

Please note that once in a while we may have to reschedule a FAMILY FRIDAY date. If we do, we'll let you know well in advance!
